

Auburn University College of Veterinary Medicine
Comparative Pathology Core

Veterinary Pathology Services	Fee	Service Description
<u>Project consultation</u>		Consulting on project specifics; contact lml0072@auburn.edu
<u>Necropsy training</u>	\$100/hour	Veterinary pathologist demonstrates necropsy procedure.
<u>Postmortem examination</u>		
		Comprehensive necropsy with histopathology and final interpretation. Includes special staining.
Animal up to 250 g	\$375/animal	
Animal 251 g to 6 kg	\$500/animal	
Animal 7-50 kg	\$750/animal	
Animal > 51 kg	\$1200/animal	
Necropsy only	50% complete fee	Complete necropsy with gross interpretation only; No slide preparation No tissues evaluated histologically.
Necropsy with tissue processing	70% complete fee	Complete necropsy with gross interpretation plus slide preparation with H&E staining; No tissues evaluated histologically.
<u>Biopsy</u>		
1 tissue/site	\$65	Gross description with histopathology and final interpretation.
each additional tissue/site	\$20/each	
<u>Histopathology interpretation only</u>	\$35/slide	Tissues evaluated histologically with final interpretation, includes scoring/grading when applicable.
<u>Histology preparation</u>		
Routine trim (small)	\$12.00	Small tissue is trimmed for slide preparation only.
Routine trim (large)	\$18.00	Large tissue is trimmed for slide preparation only.
Process and embed (routine; per block)	\$7.00	Routine tissue is received trimmed and in cassette; processing and embedding in paraffin only.

Process and embed (large; per block)	\$12.00	Large tissue is received trimmed and in cassette; processing and embedding in paraffin only.
Process, embed, section, and H&E stain (routine; per slide)	\$9.00	Routine tissue is received trimmed and in cassette; tissue is processed, embedded in paraffin, and H&E stained slide made.
Process, embed, section, and H&E stain (large; per slide)	\$16.00	Large tissue is received trimmed and in cassette; tissue is processed, embedded in paraffin, and H&E stained slide made.
Additional unstained slides (per slide)	\$4.00	Additional unstained slide made from previously processed block.
Additional H&E stained slides (per slide)	\$6.00	H&E stained slide made from previously processed block.
Digital Pathology	Fee	Aperio & eSlide Manager
Digital slide scanning	TBD
